ARTIST IN RESIDENCE
IN AMSTERDAM

We welcome applications from artists in all disciplines for a work period of three months.

The Location

Artist studio complex and community Nieuw en Meer offers a guest studio at their premises. Situated beautifully in nature and close to the citylife of Amsterdam the guest studio offers the ideal environment for artists in terms of personal reflection and concentration, but also for exchange and collaborations with artists from our community and Amsterdam in general.

The Studio

The guest studio is conveniently situated in one of our main buildings. It measures 48m2 and is equipped with a simple sleeping area, a kitchen, shower, toilet, floor heating and wifi.
The rent is € 425,- per month, including the use of household appliances, water and electricity. Couples pay € 550,- per month.

As a resident you will work independently. and be prepared to make your own contacts and arrangements we can fascilitate meetings with other artists living and working at Nieuw and Meer. On the premises there is a wood, metal and ceramic workshop for occasional use.
Our AIR is run entirely voluntarily, without any additional financial support, with the goal to sustain and enhance the diversity of our community and foster the arts in general.
